Testimonial

Marion Minkels, Dutch

"This was my first time in Ireland – I came on the recommendation of my agency in Utrecht. I enjoyed the cultural lessons most - I am interested in history and culture of Ireland. I loved 'Trad on the Prom', the singers and dancers were amazing! It was also a great experience staying with a host family – I had never done it before and they were so friendly. I will definitely recommend GCI to my friends and I hope to come back again myself."
