# SOCIAL PROJECTS

## I. After school projects (Cusco)

### Project SE. 9

<b>Description:</b>	An after-school project for poor children. Every day about 120 children visit the project, whose ages range from 3-17. There is a small library where children can do their homework and three other rooms where various workshops are organized, on topics such as medicinal plants, cooking or painting. In the mornings the project organizes an Early Stimulation Program for children up to 5 years old. In the afternoons older kids attend.
<b>Activities:</b>	Help children with their homework, play with them, organize recreational and creative activities and assist in workshops. Most help is needed in the Early Stimulation program.
<b>Requirements:</b>	Able to work independently with enthusiasm for working with children.
<b>Minimum:</b>	12 weeks (4 weeks possible for helping in the library)
<b>Availability:</b>	This project is closed the first two weeks of January.
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Monday to Friday from 8:30am till 12:30pm or 4:30pm till 8:00pm
<b>Capacity:</b>	2 volunteers at a time

### Project SE. 12

<b>Description:</b>	An after-school project organized in different classrooms for children between 3-16 years old. Most of the children come from families whose parents work at the market or sell on the street. The institution offers education and helps the children with their homework as well as other activities. There is also a drop-in center for the elderly; they take part in activities like art, music, and exercises.
<b>Activities:</b>	Due to a shortage of money, they cannot pay the salaries to all the personnel needed. Volunteers are needed to help the children with their (English) homework, organize creative workshops and teach the children about other cultures. Volunteers can also organize activities for the elderly.
<b>Requirements:</b>	Enthusiasm in working with children. Preference is given to volunteers with experience in working with children, such as teachers.
<b>Minimum:</b>	4 weeks
<b>Availability:</b>	Open all year
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Variable, either mornings or afternoons from Monday through Friday
<b>Capacity:</b>	4 volunteers at a time

## SOCIAL PROJECTS

### Project SE. 62

<b>Description:</b>	This after school project began a little over four years ago. It´s a small place and every afternoon children from 3-12 years old come to the project to do homework, play and do creative activities like handicrafts, theater and dance. The children generally come from the poor urban areas of Cusco.
<b>Activities:</b>	Help children with their homework, organize physical or creative activities and take them for walks. Teach them English.
<b>Requirements:</b>	Motivation and enthusiasm in working with children and an ability to work independently.
<b>Minimum:</b>	4 weeks
<b>Availability:</b>	Open all year. Between mid-December and March public schools in Cusco are closed and many more children attend this project.
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Monday to Friday from 2:30pm till 5:30pm
<b>Capacity:</b>	2 volunteers at a time

## SOCIAL PROJECTS

### Project SE. 66

<b>Description:</b>	A home dedicated to the growth and rehabilitation of abandoned children and their mothers. The younger girls are currently living in the house of the director and his wife who have come to work for this project. There is also a boys' and teenager girls' home. Right now they are housing about 25 children in each place and several of their mothers. There are dormitory rooms, a library and study room and a play area for the younger children. Volunteers are needed to encourage children with homework and activities along with educating children in self-esteem and self-discipline.
<b>Activities:</b>	Volunteers can help both the children and mothers by organizing different artistic and creative activities, helping the children with their homework, participating in housework and providing encouraging self-motivating activities.
<b>Requirements:</b>	Strong personality and enthusiasm working with people of all ages, babies to adults.
<b>Minimum:</b>	4 weeks
<b>Availability:</b>	Open all year.
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Monday to Friday from 2:30pm till 5:30pm
<b>Capacity:</b>	Minimum 2 volunteers at a time

### Project SE. 68

<b>Description:</b>	This Christian organization was founded about 13 years ago, and in 2008 a regular children's club was started. Located on the outskirts of Cusco, about 50 disadvantaged families live nearby. On average 25-30 enthusiastic but under-privileged children attend, benefiting from educational and play opportunities which aid their development. The directors, pastors of a local church, along with volunteer coordinator Carrie Kleinschmidt, have divided the children into three age groups, developed an English program, refurbished the club room and recently constructed a sports pitch and kitchen. This is a growing project and volunteers are making a big contribution to its development and to the future of the children in this community.
<b>Activities:</b>	There is an organized but flexible timetable which consists of English teaching through arts, crafts, games and songs; educational games; help with homework; pre-school activities; sports and skills workshops (e.g. jewelry, music, art) for the older children. This project is open to volunteers with an interest in any of these areas.
<b>Requirements:</b>	Motivation and enthusiasm to work with children of varying ages, and an ability to work both independently and with other leaders.
<b>Minimum:</b>	4 weeks
<b>Availability:</b>	Open all year.
<b>Spanish:</b>	Beginner, Intermediate and Advanced
<b>Schedule:</b>	Monday from 3:00pm till 5:00pm planning and preparation; Tuesday-Friday from 4:00pm till 6:30pm
<b>Capacity:</b>	Up to 8 volunteers per week, due to the different age groups, work areas and 1-on-1

### Project SE. 94

<b>Description:</b>	This Peruvian, non-profit organization works with children in the District of Oropesa, about 45 minutes outside of the center of Cusco. The project began in November 2010 with the objective of providing educational support to the children so that they will have better opportunities in the future. They currently work with approximately 45 children between the ages of 5 and 13 years old.
<b>Activities:</b>	Support the children through homework help, reading comprehension, mathematics, traditional dance, physical education, English classes and art programs. Teach them about your country and culture.
<b>Requirements:</b>	Volunteers who have the ability to work independently, have plenty of patience and the enthusiasm to work with children of different age groups.
<b>Minimum:</b>	4 weeks

## IV. Centers for social rehabilitation for adults (Cusco)

### Project SE. 43

<b>Description:</b>	This institute is for, and run by, blind people with the aim of bringing blind people in the Cusco region together. The institute would also like to teach new professionals how to start and manage a project in order to stimulate independence. The facility has a room for massage therapy and physiotherapy as well as a computer room. The institute is also interested in organizing courses such as marketing, English and accounting to further promote job opportunities.
<b>Activities:</b>	Volunteers are expected to organize workshops or courses for blind people in all kinds of fields, like English, marketing, music, pastry making, massage therapy, automation, agronomy, etc. In addition to this, the institution needs eye specialists and dentists to give medical treatment.
<b>Requirements:</b>	This project is especially suitable for people with experience in one of the fields mentioned above. The organization needs medical help (such as general practitioners, dental hygienists, and medics) and assistance with workshops on creating jobs. Furthermore, they have five computers and are receiving a software donation which will enable them to talk to the computers and work with them.
<b>Minimum:</b>	4 weeks

<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Flexible
<b>Capacity:</b>	2 volunteers at a time

# AMIGOS DE LOS CIEGOS DEL CUSCO

Proyecto San Miguel Arzobispado del Cusco. Perú

## Project SE. 61

<b>Description:</b>	This is a rehabilitation center for drug addicts and alcoholics coming from the lowest band of society. It is run by rehabilitated drug addicts. The center has a rigid schedule, as what these people need is discipline and order in their lives. Lots of participants are not allowed to leave the center during their rehabilitation process. Needs are numerous as the center does not receive any official funding. Nevertheless, the project has high hopes for the future; they want to organize lectures in colleges and universities to talk about addiction, which is still taboo in Peruvian society. This project is located 40 minutes by public transport from the city center.
<b>Activities:</b>	Most people live in the center and despite the daily schedule, don't have much to do. Distraction during the both mentally and physically painful process of rehabilitation is very important for these people. Volunteers are needed to create this distraction by conversing with them or by organizing activities.
<b>Requirements:</b>	A strong character, patience and kindness. Also a background in psychology, social work, therapy, or similar backgrounds, would be useful.
<b>Minimum:</b>	4 weeks
<b>Availability</b>	Open all year.
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Monday to Friday, from 8:30am till 12:00pm
<b>Capacity:</b>	2 volunteers at a time

## Project SE. 69

<b>Description:</b>	This is an organization that works in developing the more urban and rural areas that have a higher percentage of poverty. The people in these areas often come from extreme poverty and are learning how to grow in self-esteem, self-identity and in creating a more hopeful future for themselves. This project deals mostly with adults who are working towards their future through manual labor (constructing highways and gardens) and classes dealing with education in specific areas, such as creativity, sciences and psychology.
<b>Activities:</b>	Volunteers can help with construction or work in creating a special class or workshop for the people. These classes should deal namely with developing further self-esteem or education in a specific area dealing with creativity, work, health, etc. Volunteers also take care of the kids whose mothers are helping with the construction and with the organization of sports tournaments for the people.
<b>Requirements:</b>	Able to work independently along with enthusiasm for creating workshops dealing with particular themes that aid in self-development. Volunteers with experience in social sciences, anthropology and psychology are very useful.
<b>Minimum:</b>	4 weeks
<b>Availability</b>	Open all year.
<b>Spanish:</b>	Intermediate
<b>Schedule:</b>	Monday to Friday from 8:30am till 12:30pm or 4.30pm till 8:00pm
<b>Capacity:</b>	No minimum number of volunteers
